Audrey Miller

Audrey Miller is an American Interior and Industrial Designer and Artist who specializes in Conceptualization. She seeks inspiration from the Sciences, the Ancient Arts and Poetry. Audrey has enjoyed 15 years of experience in the design field including 3 years which were dedicated to researching Ancient Ornamentation in the Middle East.

Her passion is Islamic Art and as a Muslim convert since May 1998 it has been her dream to have the opportunity to design Mosques, Religious Centres, and to evolve the definition of "Islamic Design."

Her inspiration for The Contemporary Mosque collection by Audrey Miller was drawn from the geometries found within all things. Implementing her Modern style using Eastern elements, she both challenges and enhances how the Muslim prayer area can be defined.

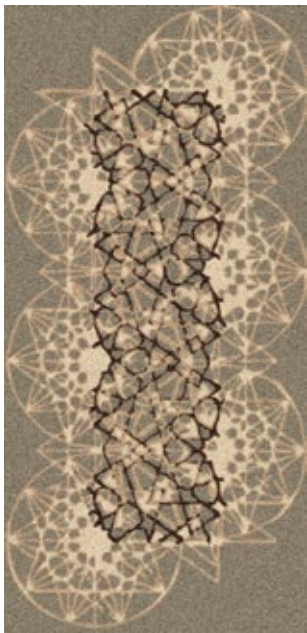

"Removing the fire from inside you is as easy as removing it from the surface of the sun. Immerse yourself in your passion. Strive endlessly to enhance the lives of others and use your passion to change the world."

—Audrey Miller

About The Contemporary Mosque Collection

This carpet collection has been especially designed to enhance the atmosphere of the mosque. The collection presents a pallet of patterns in 16 standard designs all in 4 colour combinations each offering a comfortable foundation supplementing the aesthetic beauty of the mosque.

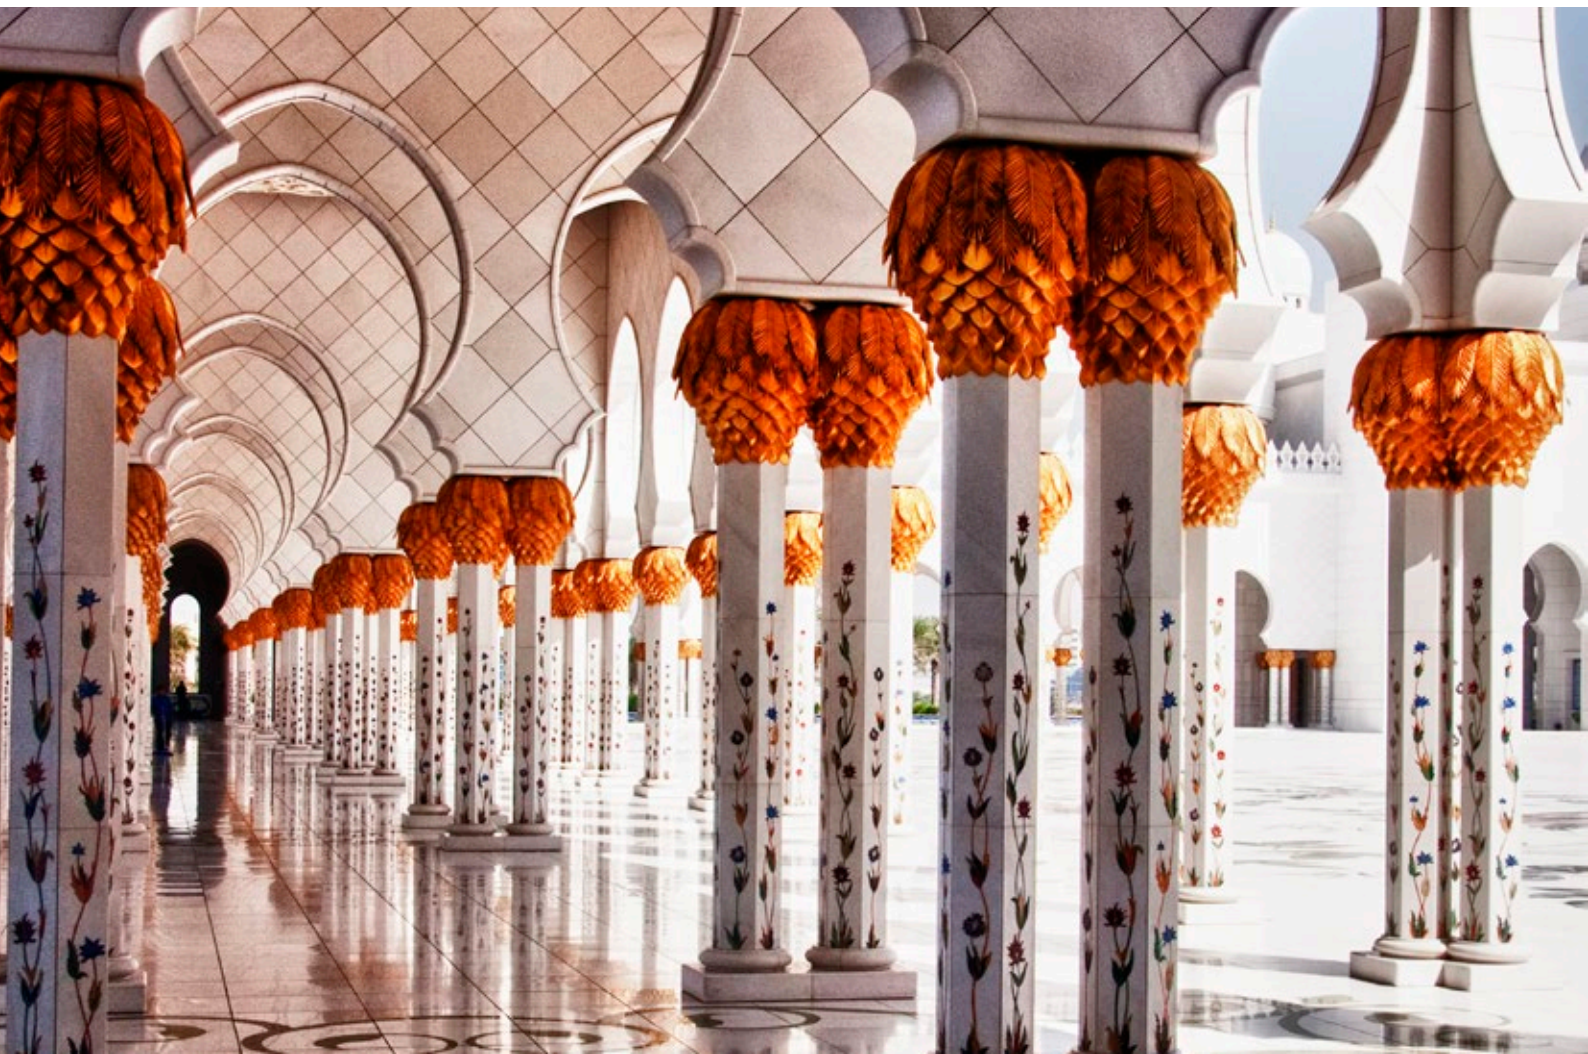

The collection is made in ege's standard palettes making recolouration possible. The Contemporary Mosque Collection contains a number of modern and contemporary mosque designs. Some designs with borders indicating where to pray and others like our normal repeatable designs.

It is possible to customize the rolls to match the prayer direction (Qibla).

A uni coloured carpet can be ordered separately as outfill, if the roll does not fit the size of the room.
