The floor can be a blank canvas for engaging and creative pieces of art and craftsmanship. Motifs and textures created by hand, vintage patterns worn by time and honest materials refined by skilled artisans are translated into tactile and fascinating carpet designs. Enjoy beautiful compositions that have

been drawn, sketched or painted, or the touch of woven fabrics, delicate laces and soft knit work. The Arts & Crafts collection is an interpretation of the original and handmade designs with perfect imperfections that inspire and delight us.

**Our design team assists recolouring
