**Use visually strong compositions in your next floor design with contemporary and distinct patterns. Go for methodical geometry, circular hoops, linear stripes, 3-dimensional grids or expressive typography that bring a new, modern energy to**

**the interior. Or try simply beautiful melanges or random abstracts. The Graphic collection covers many different styles, from bold, characteristic and dramatic to organic, fluid and distorted providing us with a powerful and inspiring design language.**

**Our design team assists recolouring  
your selected designs**

### **ALL THE DESIGNS CAN BE RECOLOURED TO MEET YOUR PREFERENCES AND REQUIREMENTS**

Our in-house team of experienced designers has carefully selected patterns and colours to provide you with lots of options, ideas and inspiration for your next carpet project.

Thanks to our advanced production technology, it is easy and quick to recolour a standard design at no extra charge. Pick any design and select your colours from one of the four standard colour palettes. Our design team is always on hand to assist and visualise the design in your colour selection. Learn more about how to recolour from page 114.

The Graphic designs are part of the Highline Express collections offering hundreds of standard designs. These can be recoloured and produced in one of nine different qualities to match your budget and demands for wear-resistance, acoustics, comfort, insulation and fire resistance.
