The Ultimate System for Carpet Design and Coloration

“The system limited only by your imagination”

Wall-to-wall carpets, borders, matching corridor carpets, big and small projects, - all possibilities are met by the “highline express” collection. It is so easy to create the carpet that perfectly matches your interior design concept:

- 1) Select your design from the comprehensive ranges shown in the pattern binders.
- 2) See the actual colour range of the selected design reproduced on carpet in the Colour Selector Box.
- 3) Select the required carpet quality from the 8 options available. All designs are delivered in 4m width. There is no minimum quantity.
- 4) Decide on the most suitable backing, Integral Heavy Duty Contract Latex (CL) or Woven Textile backing (WT).
- 5) Feel free to contact us for any further assistance or samples that may be required.

All “highline express” designs can be delivered in the below-mentioned contract qualities which have all obtained approval after thorough testing: (Detailed specifications and suitability recommendations: See separate data sheet or www.egecarpet.com)

Samples: (30x40 cm) are manufactured immediately to order in the following qualities:
