

The Mosque Collection

This carpet collection has been especially designed to enhance the atmosphere of the individual mosque. The Mosque Collection by ege® presents a pallet of spectacular patterns and colours all available in 7 different qualities, offering a comfortable foundation supplementing the aesthetic beauty of the mosque.

All carpets of the collection are very hard-wearing, anti soil protected, permanent antistatic and contain flame retardent filler, securing that these quality carpets will have a long term appearance retention.

- 12 standard designs offered in 4 standard colour combinations each
- Recolour options without surcharge
- Possibility of custom designs and colours

- 7 different qualities

- No minimum order requirements
- 48 hour sample service
- 2 weeks' production time

- Undisputed performance standard EN1307
- Produced in 400 cm width reducing the number of seems
- Antisoil protection
- Permanently antistatic
- Flame retardent filler

2 standard backings: Woven Textile (to be installed on separate underlay) or Contract Latex backing (2 mm integrated underlay = one drop installation)

From 500 m² possibility of Luxury Latex backing (6.5 mm integrated underlay = one drop installation)
